Reference: Amended 30 Day Post-General Report (10/19/00-11/27/00) dated 6/26/01

Dear Mr. Carlson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H4 discloses disbursements for NEDA06 which are categorized as FUNDRAISING; however, Schedule H2 does not include the allocation ratios for this activity. Please amend Schedule H2 to disclose the omitted ratios.

-Schedule E of your report indicates that your committee may have failed to timely file one or more of the required 24 hour notices regarding "last minute" independent expenditures (pertinent portion(s) attached). A political committee must notify the appropriate officers (Secretary of the Senate, Federal Election Commission, etc.) as specified in 11 CFR §104.4(c), in writing, within 24 hours of any independent expenditures of \$1,000 or more made between two and twenty days before an election. These expenditures must then be fully itemized on the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR §104.4(b)

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions from other federal campaign committees should be properly disclosed on a

separate Schedule A, supporting Line 11(c) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
